League of Women Voters of Vermont

Public Service Announcement

Montpelier, VT – Secretary of State Jim Condos, in coordination with Kate Rader of the League of Women Voters, is sending out this alert to all Vermont citizens as a reminder to vote on Tuesday, March 6th!

If you have not registered yet, there is still time, but the deadline is fast approaching—it is next Wednesday, February 29, 2012.

To register to vote, please go to your town clerk's office no later than Wednesday, February 29th – you can find a list of all town clerks at http://vermont-elections.org/town_clerks_guide.html

“This is a particularly exciting time in Vermont’s voting history. In November 2010, Vermont voters overwhelmingly passed Proposition 5; allowing young adults who will turn 18 years old by the general election (November 6th, 2012) to vote in both the statewide and presidential primaries,” stated Secretary Condos.

Rader adds, “Democracy is not a spectator sport. The League of Women Voters joins the Secretary of State in his encouragement of all eligible citizens to vote. We are very thrilled to have young adults come out and make their voices heard.”

This message is to all eligible Vermonters, young and old. If you have not registered yet, please do so by 5pm on Wednesday, February 29th and then go to the polls on Tuesday, March 6th to cast your vote in the Presidential Primary.

For more information about registering to vote or where to vote, please feel free to contact the Secretary of State’s office or the League of Women Voters at the above numbers. You can also visit our websites at <http://vermont-elections.org> and www.lwvofvt.org.

Secretary of State Jim Condos has over 20 years of elected public service, including 18 years at the local level and 8 years as a Vermont State Senator, in addition to more than 30 years of private sector business experience.

The League of Women Voters, a nonpartisan political organization, encourages informed and active participation in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy.
