

## **Naturopathic Physicians Continuing Education Approved Provider List**

### **3.2 CONTINUING EDUCATION REQUIREMENTS**

(c) A physician-level continuing medical education course is acceptable as a continuing education program. A course is considered physician-level if presented by a physician or other medical professional to a predominantly physician audience. Once a continuing education provider is approved by the Director, the continuing education activity sponsored by that provider is approved for credit and no application to the Director must be made for approval. The Office shall maintain a **List of Approved Providers** which may be obtained from the Office's web site at <http://vtprofessionals.org/>.
