INFORMATION FOR SIGNERS

WHAT IT MEANS TO SIGN –

Your signature doesn't necessarily mean you will vote for the candidate in November. You are just saying that you feel the candidate is a worthwhile person to be running in the general election.

You may sign as many independent petitions/statements of nomination for a given office as there are nominations to be made (seats to be filled) for that office. (You may sign a petition for an independent candidate even if you have signed a petition for a major party candidate running for the same office in the Primary.)

For example:

- You may sign one independent petition for Governor.
- You may sign petitions for two different State Representatives if you live in a two-member district
- You may sign three petitions if you live in a three-seat district for State Senate
- You may sign as many petitions for Justices of the Peace as your town will elect in November (5, 7, 10, 12, or 15). If you are unsure how many your town will elect, please contact the town clerk.
