PRESS RELEASE

Secretary of State Jim Condos Announces Vermont Election Night Reporting

Montpelier, VT - Secretary of State Jim Condos is pleased to announce that UNOFFICIAL election night results will be available online for the Vermont Presidential Primary on March 1, 2016. City and Town Clerks are statutorily mandated to post their results to the website on election night. As the results are uploaded by the towns, visitors to the website can view the unofficial results – statewide and by town:

“This website will provide more accurate and up to date *unofficial* election night results to Vermont’s public, the media, and candidates,” said Secretary Condos.

The website will refresh the display of results every ten minutes to update and add town by town results.

The website will also provide an automatic RSS feed containing all results and turnout data. We encourage interested citizens to visit the website on election night. We expect that the majority of results will be entered between 8pm and 11pm.
